COMMITMENT TO CONSERVATION MEASURE 1.3: IOTC YELLOWFIN TUNA REBUILDING

As a member of the International Seafood Sustainability Foundation (ISSF), Chotiwat Manufacturing Public Company Limited (CMC) is committed to undertake seafood responsibility as per all ISSF resolutions. Regarding to ISSF conservation measure 1.3 required ISSF participating companies to reduce sourcing of Indian Ocean origin yellowfin tuna by 11% calculated with respect to the company's average annual level of the IOTC yellowfin purchases from 2017 to 2019.

CMC strongly supports the requirement that we plan to undertake reducing the purchase of Indian Ocean Yellowfin tuna by 11% determined to our average annual level of the IOTC yellowfin purchases between 2017 and 2019.

For the period of 2025, CMC was able to reduce the purchase by 51.65% which exceeded the 11% target reduction.

Mr. Somboon Chotiwanaphan

Deputy Chief Executive Officer
