

Can I Reach Chase Travel Internationally? A Complete Guide

Chase Travel Customer Support Number: 1-855-628-4230

Overview of Chase Travel Customer Service

Chase Travel customer service is the official support system provided by Chase Bank to help customers with travel-related inquiries. Key services include:

- Booking flights, hotels, and car rentals
- Redeeming Chase Ultimate Rewards points
- Modifying or canceling reservations
- Checking travel promotions and offers
- Providing guidance on travel insurance and protection benefits

International travelers often face time zone differences, urgent travel needs, and last-minute changes. Chase Travel ensures support is available for global customers via phone, online portal, and digital channels.

How to Reach Chase Travel Internationally

Even when traveling outside the U.S., Chase Travel offers multiple ways to stay connected:

1. Phone Support

Call **1-855-628-4230**. This U.S.-based number can be accessed internationally via VoIP, mobile carriers, or international calling services.

2. Online Portal

The Chase Travel Portal allows you to:

- Search and book flights, hotels, and vacation packages
- Redeem Ultimate Rewards points
- View upcoming and past travel reservations

3. Email Support

Complex issues like travel insurance claims or booking modifications can be handled via email, accessible globally.

4. Social Media Support

Reach Chase Travel on **Twitter** (@ChaseSupport) and **Facebook** for minor inquiries or updates while abroad.

Services Offered for International Travelers

1. International Flight Bookings

Agents assist with booking flights worldwide, including seat selection, fare options, and destination rules.

2. Hotel and Car Rentals Abroad

Support includes hotel and car rental bookings with guidance on payment, cancellations, and local requirements.

3. Ultimate Rewards Points Redemption

Points can be redeemed for international flights, hotels, and vacation packages. Agents ensure accurate application and highlight promotions.

4. Travel Insurance Guidance

Chase credit cards may include travel protection. Agents guide you through claims for trip cancellations, delays, or lost luggage.

5. Technical and Booking Support

For portal or app issues overseas, customer service provides step-by-step guidance to complete bookings successfully.

Frequently Asked Questions (FAQs)

Q1: Can I reach Chase Travel internationally?

A: Yes. The main number (1-855-628-4230) can be accessed internationally through VoIP or mobile services.

Q2: How do I contact Chase Travel while abroad?

A: Call the number, use the online portal, or reach out via email or social media.
